

# FRASER RIVER MIDDLE SCHOOL

604-517-1800

## PRINCIPAL'S MESSAGE

Another year has passed and it seems like yesterday that the students were walking in the front doors on September 5, 2017. Our returning students were eager to begin their second year at Fraser River and the new students were excited to see what the year would bring. I am proud to say that we have had another successful year. Having the students here for a second year has really solidified our already strong community.

Our success over the past two years has been because of staff, student and parent support. The staff has shown dedication to teaching and an understanding of the middle years, very formative years for children. The students have strived to be successful and to do the right thing. Our parent community, especially our PAC executive, have been extremely helpful and supportive both last year and this year. With the combination of all three working together, we can only create, and continue to create a great school.

Thank you and I wish everyone a safe and relaxing summer break!

Debbie Jones  
Principal
