PRINCIPAL'S MESSAGE

Many students came back after spring break eager to see their friends and to get back to the regular routine. I hope that families had time to spend together during the last two weeks in March.

April is a busy month. Students have started their final exploratory rotation and there will be guests coming into our PE classes next week to teach Football. Divisions 12, 13, 14 and 15 are participating in VEX IQ Robotics classes over the next two weeks and the grade 6/7 students will be involved in the Ride the Rode program (bicycle safety program) from April 11 to April 18. At the end of the month, April 30, some students will be performing in our annual talent show. There will be an afternoon and evening performance, parents are welcome at both shows.

I am looking forward to the month ahead and still can't believe we are in the final term of the year.

Debbie Jones

Principal
