

# FRASER RIVER MIDDLE SCHOOL

## 604-517-1800

### PRINCIPAL'S MESSAGE

This year's talent show was an overwhelming success once again. Our grade 8 hosts, Karina and Jun, did a great job adding humor to the show. There were 21 acts such as, singing, dancing, playing an instrument, yo-yoing and many more. I want to say how very proud we were of all of the students who participated with such enthusiasm and talent. The comments I received from members of the audience, during the day and the evening show, were fantastic. Statements like, "Fraser River definitely has talent" and "Wow, that was an amazing show". Thank you to Mrs. Chan, Mr. Colish and Mr. Mathews who worked for months preparing for the show. Well done everyone!

The entrepreneurial fair on Friday, May 4<sup>th</sup> was filled with up and coming inventors, chefs, artists and store owners. The students were excited to show their talent in many areas of interest. It was great to see a lot of parents enjoying the fair. Thank you for supporting our students.

The Walk For Water raised over \$1728.40. The goal was to raise \$1,000.00 and clearly the goal was surpassed by a landslide. The money will go to Free the Children to support a clean water well in India. We appreciate all of the donations made by our families and are proud of the dedication students showed to the cause.

Debbie Jones  
Principal

### RAISING DIGITALLY RESPONSIBLE YOUTH

With society heading in a direction of being constantly connected to technology, what do we need to know as parents to protect our kids and teach them responsible and appropriate use of technology? The parameters of rules and expectations that you put in place at home will undoubtedly guide their behaviour in the years to come. Please join us for an informative presentation!
