PRINCIPAL'S MESSAGE

We had another fantastic Talent Show this year. Our grade 8 hosts were Neve and Nicole. Their stand up routine entertained the crowd and kept the show running smoothly. All of the participants should be very proud of themselves. It isn't easy getting up in front of your peers to perform. A special thank you to Mrs. Chan, Mr. Mathews and Mr. Colish who once again went above and beyond to present such an enjoyable show. Their long hours and hard work paid off.

The grade 8 job fair was on Wednesday, May 22 in the afternoon. It was so impressive to see all of the work the grade 8 students did with their research and presentation of their future job aspirations. To see the students so inspired was heartwarming. Thank you to Mrs. Cranstoun who organized the fair.

I wanted to make a special mention for the grade 8 boys volleyball team. The boys placed first in their league play, not losing any matches. They placed second in the playoffs which put them in a position to play a wildcard game in North Vancouver to advance to the V. and D's. They won the wildcard game and played the following day in Richmond. In this playoff round they placed third. This is the farthest any team has gone in the last three years at Fraser River. Congratulations to all of the boys and their coaches for a well played season.

Principal
