

# Train to Become an Education Assistant

with New Westminster Schools

## *Attend our upcoming information session*

Education Assistants work with teachers and other professionals to support students with exceptional learning needs.

Our Education Assistant program includes classroom theory, clinical instruction and practicums in a school.

- Qualified Education Assistants are currently in high demand in school districts including New West Schools.
- Graduates are welcome to apply for a job upon graduation.
- Free English testing is available after the info session.

*Offered in partnership with Burnaby Community and Continuing Education*
