

# FRASER RIVER MIDDLE SCHOOL

## 604-517-1800

### PRINCIPAL'S MESSAGE

Once again, I want to thank all of our Fraser River families for your support all year and especially during the last few months. This time in the world of education is one that will definitely go down in history. Student, families and staff have had to adapt to a continually changing and evolving situation. There have been so many changes and, with that, we are all still learning and adjusting to our new reality.

I am looking forward to meeting our new families who will be joining us in September. I welcome you and look forward to getting to know you.

Thank you to the PAC who is always so supportive for the school and has always been there to show appreciation for the staff. As well, they are helping to make school an enjoyable and supportive place for our students with their innovative ideas and their fundraising efforts.

We cannot predict what the future will hold, but we know that with everyone working as a team we will get through this. More information about September's schedule and plans for the first week will be emailed to families in the summer.

Have a safe, enjoyable summer break. See you in September!

Debbie Jones  
Principal
