

# FRASER RIVER MIDDLE SCHOOL

604-517-1800

"Our goal is to create an engaging environment where students collaborate and learn through cross-curricular explorations"

## PRINCIPAL'S MESSAGE

On Tuesday, November 10<sup>th</sup> we had our first virtual Remembrance Day assembly. As always, we had students running the assembly. Kia, Sarahdawne and Miyell from Ms. Marsh's class did an amazing job as leaders and made the assembly fantastic. Sadie and Ana from Ms. Bloudell's class, spoke about a poppy art project that their class completed. The beautiful pieces of art are displayed on a bulletin board outside of their classroom. Issac from Ms. Lioce's class spoke about a language arts activity his class completed creating Acrostic poems with words related to Remembrance Day. He also shared his poem with the school using the word MEDAL. Everyone did an amazing job with their part and we thank you for participating and being so enthusiastic.

I wanted to mention that most of our students wear their masks when they are supposed to wear them. However, we do have a handful of students who need daily reminders about proper mask wearing from staff, with some needing several reminders throughout the day. If you could check in with your child about their mask wearing behaviour that would really help. This is a critical time period and everyone needs to be diligent. Thank you again for all your support and thank you to all the students who wear their masks when they are supposed to. We really appreciate you.

Debbie Jones

### Neighbours:

We need your help....the neighbours across the street have sent us a letter asking us to support them with two concerns:

**Littering** - Students are littering on their property on Queens when they are getting in or out of cars and they are littering when they are walking to or from school on 8th Street. Please talk to your child about this.

**Cars** - During drop off and pick up times, cars are blocking the entrance to the underground parking on a regular basis. Please make sure you are picking up clear of the entrance.

**We want to make sure we work with our neighbours!**

Thank you.

Debbie Jones

**Reminder:** Please do not send your child to school if they are sick. We have had several students saying they are sick when they arrive and want to go home. Thank you in advance.
