Dear Fraser River Families,

I want to thank the Yearbook team. The students have been working hard taking many pictures around the school. It was also their idea for the spirit week. They thought it would be fun and would bring some positivity in these difficult times. The creativity of these students this week has been amazing.

Thank you to the PAC for wonderful lunch that was brought in for all staff on Tuesday. The lunches were boxed individually to ensure staff safety and we had a choice of three different sandwiches. The staff are feeling very appreciated.

The spirit wear has arrived so, if you ordered spirit wear it will be going home today with your child. The masks are the only part of the order that has been delayed. The masks will be handed out in January.

I hope everyone has a safe and restful break.

It will be nice to say goodbye to 2020!

Merry Christmas and Happy Holidays!
