PRINCIPAL'S MESSAGE

Since the end of September, we have had student announcers participate in the morning announcements for the entire school to hear. They read the announcements between 2 weeks and one month. All the students who participated did a fantastic job and were pros by the end of their turn. Students were creative and added some flare during their time reading. See the list of students who have participated so far this year.

Recently we had a COVID-19 protocol video contest. Each class was asked to submit a video, slide show, posters, or any other creative way to present the current COVID-19 protocols. There were many fantastic submissions, and I am happy to announce that we had a tie. Miles' video with participation from some students from Division 17 and Division 13's video was tied once the votes were cast. Both classes will get an individual pizza lunch. Thank you to the PAC (Parent Advisory Council) for funding lunch for our winners.

We are participating again this year in the Walk 30 challenge. We are hoping to have more classes involved this year. Over the last two years Kelvin has won the challenge for the district. We are hoping to surpass their record. See the information below.

We are excited to see the entries for our upcoming talent show. The students are currently submitting videos to Mr. Colish now with the deadline being May 7th. We can't wait to see Fraser River's talent. The talent show is on May 14th. Thank you to Mr. Colish for putting this together.

Take care and be safe,

Debbie Jones

Students Returning to FRMS in September

Please notify the school as soon as possible if your child will not be attending FRMS for the 2021/22 school year.

It helps us project our next year's enrollment.

Thank you in advance!

Reminder

FRMS is a closed campus. Students can't leave school grounds to go to the store. They can go home for lunch with written permission from Parents/Guardians.

Thank you.

Spirit Week May 10 to May 14

Next week is FRMS's Spirit Week!

It will start on May 10th and go until the 14th with a different theme each day. We will also remind students each day on the morning announcements.

Themes throughout the week:

- Monday, May 10th - Star Wars Day
- Tuesday, May 11th - Jersey Day
- Wednesday, May 12th - Tropical Day
- Thursday, May 13th - Crazy Sock Day
- Friday, May 14th - PJ Day and Talent Show

Mr. Oatway and Ms. Gilson's classes together with the help of Wynning Landscape and Design started a container garden beside the Annex. Students were able to get their hands dirty filling the containers and had the opportunity to learn about types of fruits and vegetables we eat, healthy soil, sowing seed in the earth, and companion planting of different plants that enhance plant growth and protect plants from pests.

FRMS Grade 8 Track & Field

Track and Field started on April 20th with a great group of FRMS Grade 8 student-athletes. FRMS has 14 committed student-athletes learning fundamental movement skills of the sport such as sprinting techniques, long jump, shot put, discus, and javelin.

On May 18 and 21 our student-athletes will have the opportunity to test their hard work in a virtual track and field meet held at Swandgard Stadium for running and jumping events and at Burnaby Central for throwing events.

FRMS is proud of the hard work these student-athletes have put in!

The Walk30 2021 Challenge

May 10 - June 13

The Walk30 Challenge is back!

Walk30 is an annual health promotion campaign developed by the Cities of New Westminster and Burnaby Healthier Community Partnership Committees to support 30 minutes of walking per day for 5 weeks. Walking vigorously 30 minutes a day is a low-barrier activity that is preventative for many chronic illnesses.

FRMS is excited to have a team in this challenge. Our team is open to all students and staff to join.

Register at: <https://www.best.bc.ca/walk30>
