		Scholastic Sale Feb 20, 21, 22, 26		
		Pro D day Feb 23		
		Jackie Esombe – African dancer – dancing and French culture		
		May 4 – Entrepreneur fair		
		Energy drinks – working toward not having them at school, working with Fraser Healthshe spoke to the corner store. The corner store is going to work with them to try to have healthier options.		
		Philosophy of sport for teams – as they become part of the school, does the board have rules or is it from school to school.		
		Debbie shared with us that this is still a time for development and fair play. Grade 6 and 7 is still development. Some sports have 2 teams, and they can work back and forth.		
		Basketball is hard since we are up against Burnaby. As a district they are looking at the 3 schools to set a standard for them to use.		

		Grade 8 there is a cost for teams, there are fees for tournaments. They are very aware and are still working on the dynamics of the program.
