

FRASER RIVER MIDDLE SCHOOL

604-517-1800

Fraser River Middle School recognizes and acknowledges the Qayqayt First nations, as well as all Cost Salish peoples, on whose traditional and unceded territories we live, we learn, we play and we do our work.

PRINCIPAL'S MESSAGE

Spring is around the corner! After a long winter, everyone is looking forward to the promise of nice weather and a well-deserved Spring Break. We are also looking forward to things shifting a little closer to normal with being able to gather in person once again and welcoming back parents & guardians inside FRMS. Connection and community are everything at FRMS and Term 3 will bring more chances to come together.

Congratulations to our Boys and Non-Binary Basketball team on their strong showing at the Zone Tournament in late February. Thank you to Mr. Aquino and Mrs. Johnson for your dedication and to all the athletes! Thank you to the PAC for the delicious cookies for Pink Shirt Day, student leadership for organizing our virtual assembly, and lastly Sheryl Laine and the Reconciliation Committee for supporting Family Services of Greater Vancouver with our fundraisers.

Report Cards are issued on March 10th and Term 3 begins on March 28th when we return from the break. Please have a restful and enjoyable break everyone! Our April is jam packed with lots of events around the school and deep learning.

Yours in learning,
Ms. J. Harrison

Young Conservationist Scholarship Program

The Young Conservationist Scholarship Program highlights the drive of young people connected to BCWF to contribute to the protection, conservation and enhancement of the environment. Participating youth will be given the resources and knowledge to make an impact in their communities while competing for a scholarship.
25 conservation-minded youth will be chosen.

General Applicants must apply by March 18th

For more information please check out:

<https://bcwf.bc.ca/young-conservationist-scholarship-program/>

ADHD – The Real Deal

Join us in watching a video presentation by Dr. Duncan, who will dispel the many myths surrounding ADHD by presenting up to date scientific facts about cause, prevalence, diagnosis and treatment. He will explain how and why the ADHD brain works the way it does. Come together with other families for a facilitated discussion by Parent Peer Support Workers.
