### Principal's Message

I would like to start this newsletter by building on the information shared in May around our School Learning Plan. We look forward to continuing the partnership with the New Westminster Museum and Archives in years to come. In May, we had a number of divisions complete a workshop in their classrooms with the Museum team that followed our school-wide field trip to the Anvil Center. We are working towards sharing our learning around resilience, self-regulation, and identity with our participating classrooms creating their exhibition.

Congratulations to our grade 8 Boys and Non-Binary Volleyball team and Coach Lee! They won the Burnaby-New Westminster championship. A special thanks to Coach Lee! We have wrapped up football, track and field, and the first FRMS Musical. Thank you to everyone who makes these events possible. With the beautiful weather, our classrooms are participating in lots of experiential learning through field trips throughout the Lower Mainland. Thank you to all the families who support this through volunteering your time.

Yours in learning,

Ms. J. Harrison
